PRESIDENT: LB 301A is advanced to E & R Initial. LB 646, please.

CLERK: 646, Mr. President, was a bill introduced by Senator Marsh. (Read title.) The bill was introduced on January 27 of last year, referred to General Affairs, advanced to General File. I have committee amendments pending by the General Affairs Committee.

PRESIDENT: Okay, Senator Morehead, please, on the committee amendments.

SENATOR MOREHEAD: Mr. President, members of the body, the committee amendments are clarifying in nature and add wording so that the definite intent of this particular legislation was in the statutes. So I would ask that you adopt those committee amendments.

PRESIDENT: Senator Marsh, did you wish to speak about the committee amendments, please?

SENATOR MARSH: Yes, thank you. It clarifies adding such wording as "of such section", so there is no question about which area is being spoken to. I think the committee amendments clarify the bill.

PRESIDENT: Thank you. The question is the adoption of the committee amendments. All those in favor vote aye, opposed nay. We're voting on the adoption of the committee amendments, need a little help. Thank you. Record, Mr. Clerk, please.
